Email: che78@smith.edu, hef@mit.edu / Phone: +1(413)695-6873 +8615118017580
Campus Address: 353 Massachusetts Avenue, Cambridge, MA, 02139

EDUCATION

Massachusetts Institute of Technology, Special Student Program, Cambridge, MA 09/2018 – expected 12/2018

- **Department:** Electrical Engineering and Computer Science
- **Expected Courses:** Artificial Intelligence, Introduction to Algorithms, Introduction to Machine Learning, Financial Markets and the Macroeconomy

Smith College, Northampton, MA

09/2017 - B.A expected 05/2021

- **Major:** Economics & Computer Science
- **Honor:** Dean's list of 2017-2018
- **GPA:** 3.93/4.0
- **Relevant Courses:** Intermediate Microeconomics, Intermediate Macroeconomics, International Finance, Programming of Data Structure, Theory of Computation, Advanced Programming Technique, Discrete Mathematics

ACADEMIC EXPERIENCE

INTERN DATA ANALYST, MORNINGSTAR, Shenzhen, Guangdong, China

06/2018 –08/2018

- Collected fund data and hot news in the financial industry
- Wrote code to facilitate data collection and management, improving working efficiency

SPECIAL STUDY: HANDWRITING RECOGNITION

02/2018-05/2018

Research Assistant, Instructor: Professor Nicholas Howe, Smith College, Northampton, MA

- Worked in a group, using MATLAB tools to develop ground truth data for training character recognition systems
- Developed codes and procedures to process data

HACKAMHERST, Amherst College, Amherst, MA

03/2018

- Worked in a group, designed a website for five colleges' dining system
- Scrape dish information and displayed dish information of 5 colleges on the website

INTERNATIONAL GENETICALLY ENGINEERED MACHINE COMPETITION

2015-2016

SFLS school team, Experimental Group Member. Cooperated with Beijing Genomics Institute (BGI)

- Designed a “weakened” antigenic determinate helper, which has weaker antibody interactions
- Searched for genetics and protein engineering using the National Center for Biotechnology Information (NCBI)
- Won Nomination Prize for the Best Poster as a group, and awarded Silver Award, High School Group of the Year 2015

ADDITIONAL EXPERIENCE

HACKSMITH, volunteer

GOOGLE FOOBAR CHALLENGE

04/2018

- Invited to the Google Foobar Challenge

HOUSE COUNCIL, House Social Event Coordinator (HSEC), Smith College

09/2017 – 05/2018

- Designed Halloween party and Spring Break party with other HSECs

INTERESTS &SKILLS

Computer: Python, Java, Excel, SAI

Language: Chinese (mother language), English
